

## MMH&RV ASSOCIATION HOME SHOW APPLICATION ~ 2026

Eligible dealers are encouraged to apply for funding to the MMH&RV Home Show Reimbursement Program. Qualifying member dealers can receive up to \$3,000 per floor when they conduct a Manufactured Housing Home Show at a local county fair, home show, and/or local exposition. There is a cap of \$9,000 per year for individual dealerships and \$12,000 per year for dealerships

with more than one lot. The effort is tied to the Association's Image Enhancement Program; a program to encourage more public viewing of manufactured housing products.

No funding will be available to members participating in their own dealer exclusive shows. Funding will be determined on a first come, first served basis, and the Association has set a limited budget for this program. All applications will be reviewed by the MMH&RV Home Show Committee for compliance, and funds will be remitted upon your follow-up and confirmation that you have successfully participated in the program.

### IMPORTANT SUBMISSION DEADLINES:
